

Elementary Grades 1 – 6

Homework Calendar

2020 – 21

This year, Faith Formation for children and youth will be a partnership between the parish and families. Instead of either "in person" or "online," it will be a unique collaboration with two parts. For almost twenty years, St. Catherine's has worked to move more and more to an inter-generational, family-based experience of faith formation (religious education). This year offers us a unique opportunity to use the best of our resources and experience to grow and deepen our faith as a community.

Part One will be based on our theme for the year: *Living Leisurely through the Liturgical Year*. **Each month, parents and children/youth will choose two of the activities recommended by the parish** for an opportunity to dig deeper into the liturgical year. We will publish the options for each month on this website www.stcatfamilyfaith.com. Families will need to fill out the online form on the monthly website or send us a photo of the completed activity. These activities will act as "attendance" credits. Occasionally, there is an optional activity from the Flourish website (<https://www.flourishkh.com/>). Login information will be emailed directly to you.

Part Two will be an **age-level workbook for children and parents to complete** during the course of the year. These can be turned in monthly at the drop box at the parish. This year, we will not be able to accept chapter homework online. **Please know that if you submit a Chapter Review, Chapter Test or Unit Review or Test, it will disappear into cyberspace, and we will not receive it.**

We use the **Be My Disciples** for our children in grades 1 – 6.

Due by the end of September

1. Chapter 1
2. Chapter 2
3. Complete two age-appropriate Family Activities for the month.
<https://www.stcatfamilyfaith.com/>
